We are proud of the accomplishments and goals we have reached; we could not have done it without the support of our members, community and corporate sponsors. It is now time for a new beginning, and as we approach the upcoming school year, we envision many ambitious projects we would like to see become a reality. In order for our goals and initiatives to take action, we seek your support. Our projected budget for the current academic year totals an estimated \$50,000. This budget includes costs for Insight to HBSA, HBSA's Annual Youth Outreach Day, NHBA National Conference in Chicago, Corporate Panels/Workshops, and general meetings.
